3. shall not be liable to pay fees, subscriptions or levies.

Provided always that Honorary Fellows who are Veterinary Scientists shall be eligible for election as Directors and appointment as Officers of the College, if (unless otherwise waived by the Council) they elect in writing to pay the appropriate fees, subscriptions and levies payable by other Members of the College and accept the obligations associated with such office or appointment. Honorary Fellows who are elected as Directors or appointed as Officers of the College, shall be entitled to vote at general meetings of the College and at meetings of the Council.

Candidates who have previously withdrawn from, or failed, Fellowship examinations, or failed to credential in their discipline, may not be eligible for Honorary Fellowship in that field.
