

Treasurers Report 2024-25

Small Ruminant Chapter ANZCVS

With no involvement in Science Week, that source of income experienced last year was not available. Instead, subscriptions (up by \$30 from the previous year) and FAMACHA card trading were the Chapter's income sources, less a small cost for postage of said cards.

More FAMACHA cards were purchased this year; despite that the Chapter's financial position continues to grow healthily. Acknowledgment must go to Sandra for commencing the FAMACHA card sales initiative and continuing diligently with it. Over 90 transactions have been made to achieve this position.

	Detail	Income	Expenses	Total
	Opening Balance 1 April 2023			9569.12
